This is an example for the FlowWriter

A simple table:

No.	Col 1	Col 2
1.	*something*	something other
2.	*something*	something other
3.	*something*	something other
4.	*something*	something other
5.	*something*	something other
6.	*something*	something other
7.	*something*	something other
8.	*something*	something other
9.	*something*	something other

Some text after table...
